

Monte Vista Athletic Boosters

3131 Stone Valley Road, Danville, CA 94526

2/14/17

Mission: The mission of Monte Vista Athletic Boosters is to support the philosophy of Monte Vista High School (MVHS) Athletics to provide “a positive atmosphere of sportsmanship and learning” for the MVHS student-athlete and their athletic Club/Team, in conjunction with the MVHS philosophy of providing an “environment which promote respect for students, teachers and parents for the rights of persons and property” thru funding, education, and service programs as described in Article II, Section 1 Bylaws January, 2017.

Summary: Monte Vista Athletic Boosters is a parent based non-profit organization that supports Monte Vista's Student Athletes. Athletics in our school district is primarily a donation based system. Along with our administration and coaching staff, we ensure that each Student Athlete has the proper facilities and support needed to participate in school athletics. We accomplish this thru our parent volunteers whose fund-raising efforts include Advertising, Snack Shack operations, Spirit Wear clothing and accessory sales, Capital Campaigns, and annual Oktoberfest and Crab Feed events.
